

City of St. Charles

TREE CITY USA[®]

Only city authorized crews are allowed to trim branches on parkway trees.

If you have parkway trees that require trimming, please call 377-4459 or 377-4405.

Mulch around trees should be no higher than 4". Mulch should be dishd around trunk so it does not come in contact with the trunk of the tree.

During dry conditions weekly watering is recommended.

If you have a planting site on your parkway and would like to be involved in the City's Fall 50/50 Tree Planting Program please call 377-4459.

If you want to plant your own tree on your parkway, the site and species must be approved first. Please call 377-4459 or 377-4405.

Any questions or problems, please call 377-4459 or 377-4405.
